INTRODUCTION

Resolution Technologies, Inc. (the "Company") established the Resolution Technologies, Inc. 401(k) P/S Plan (the "Plan") effective 1/1/2010. This Summary Plan Description describes the Plan as restated effective 9/23/2014.

This revised Summary Plan Description supersedes all previous Summary Plan Descriptions. Although the purpose of this document is to summarize the more significant provisions of the Plan, the Plan document will prevail in the event of any inconsistency. In addition, the terms of the Plan cannot be modified by written or oral statements made to you by the Plan Administrator or other personnel.

ELIGIBILITY FOR PARTICIPATION

Eligible Employee

You are an "Eligible Employee" if you are employed by Resolution Technologies, Inc. or any affiliate who has adopted the Plan. However, you are not an "Eligible Employee" if you are a member of any of the following classes of employee:

For purposes of Elective Deferral Contributions, Matching Contributions and Profit Sharing Contributions, any Employee who is included in a unit of Employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.

For purposes of Elective Deferral Contributions, Matching Contributions and Profit Sharing Contributions, any Employee who is a non-resident alien who received no earned income which constitutes income from services performed within the United States.

Elective Deferral Contributions, Matching Contributions and Profit Sharing Contributions

You will become a Participant eligible to make Elective Deferral Contributions and receive Matching Contributions and Profit Sharing Contributions on the first day of each plan quarter, coincident with or next following the date you attain age 21 and you complete 2 month(s) of service, provided that you are an Eligible Employee at the end of that period.

Special Participation Rule

If you were employed as an Eligible Employee with the Company on 5/3/2010, effective 5/3/2010 you will be immediately eligible to participate in the Plan.

Computing Service

With respect to eligibility to make Elective Deferral Contributions and to receive Matching Contributions and Profit Sharing Contributions, "Year of Eligibility Service" means a twelve month period of time beginning on your employment commencement date and ending on the date on which eligibility service is being determined. In order to determine the number of whole Years of Eligibility Service, nonsuccessive periods of service and less than whole year periods of service will be aggregated on the basis that 12 months of service (30 days are deemed to be a month in the case of the aggregation of fractional months) or 365 days of service are equal to a whole year of service. You will also receive credit for any period of severance of less than 12 consecutive months. If less than one year of eligibility service is required, such service will be determined by substituting such period for "twelve month" and "Year" where they appear in this paragraph.

All eligibility service with the Employer is taken into account.

CONTRIBUTIONS TO THE PLAN

Elective Deferral Contributions

You may elect to reduce your Compensation (defined below) and make a contribution to the Plan on a pre-tax basis. These pre-tax contributions are known as Elective Deferral Contributions. You may elect to defer up to 100% of your Compensation on a pre-tax basis. Federal law also limits the amount you may elect to defer under this Plan and any other retirement plan permitting Elective Deferral Contributions during any calendar year (\$17,500 in 2014). However, if you are age 50 or over, you may defer an additional amount, called a "Catch-up Contribution", up to \$5,500 (in 2014). The Internal Revenue Code may further restrict Elective Deferral elections by "highly compensated" Participants.

You may elect to start, increase or reduce your elections to contribute to the Plan effective as of the dates established pursuant to Plan Administrator procedures. You may totally suspend your elections at any time.

The Plan Administrator may establish rules regarding the manner in which your elections are made. The rules may also require that certain advance notice be given of any election. Your election regarding Elective Deferral Contributions is only effective for Compensation you will receive in the future. The Plan Administrator may also reduce or totally suspend your election if the Plan Administrator determines that your election may cause the Plan to fail to satisfy any of the requirements of the Internal Revenue Code.

Saver's Credit

If your adjusted gross income is below certain levels, you may be eligible for a nonrefundable income tax credit of up to \$1,000 (the "Saver's Credit"). The Saver's Credit is equal to a specified percentage of your contributions to certain employer-sponsored plans and to certain IRAs. You are eligible for the credit only if you are age 18 or over, are not a full-time student, and are not claimed as a dependent on another person's tax return. The Saver's Credit is subject to other restrictions. Please consult your tax advisor for more information.

Amount of Matching Contributions

The Company may make a Matching Contribution on your behalf if you make a "Matched Employee Contribution" during the Plan Year. A "Matched Employee Contribution" is any Elective Deferral Contribution or Catch-up Contribution that you may make.

If you make a "Matched Employee Contribution" and you have completed at least 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the Plan Year the Company may contribute to your Matching Contribution Account in an amount and allocation formula as determined by the Company.

Please note that if you are an Eligible Employee and terminate employment with the Company due to death, disability or attainment of Normal Retirement Age you will still be eligible to receive a Matching Contribution regardless of whether you meet any service requirement and/or last day requirement described in this Section.

Allocation of Matching Contributions

To the extent Matching Contributions are made to the Plan, the requirements specified in the previous paragraph will be applied pro rata to the period upon which the Matching Contributions are related.

The Internal Revenue Code may also further restrict matching contributions for highly compensated employees.

Profit Sharing Contributions

The Company may, in its sole discretion, make a Profit Sharing Contribution to the Plan on your behalf if you have completed at least 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the Plan Year. Please note that if you are an Eligible Employee and terminate employment with the Company due to death, Disability or attainment of Normal Retirement Age you will be eligible to receive a Profit Sharing Contribution regardless of whether you meet any service requirement and/or last day requirement described in this Section.

Profit Sharing Contributions will be allocated to the Profit Sharing Contribution Accounts of each Participant eligible to share in such allocations after the end of the Plan Year. Such Contributions will be allocated in the ratio that each Participant's Compensation bears to the Compensation of all eligible Participants.

Qualified Nonelective Contributions

In addition to the contributions described above, the Company may make additional Qualified Nonelective Contributions for the benefit of such Participants determined at the discretion of the Company.

Rollovers

The Plan may accept a Rollover Contribution made on behalf of any Eligible Employee, regardless of whether such Employee has met the age and service requirements of the Plan. An Eligible Employee who has not yet met any of the eligibility requirements of the Plan will be deemed a Participant only with respect to amounts, if any, in his Rollover Contribution Account. In general, any eligible rollover distribution will be accepted by the plan, however, the Plan Administrator may establish procedures that regulate the method by which Rollovers will be accepted.

Military Service

If you serve in the United States armed forces and must miss work as a result of such service, you may be eligible to receive contributions, benefits and service credit with respect to any qualified military service. In addition, you or your survivors may be eligible to receive contributions, benefits and service credit if you die or become disabled while performing qualified military service.

Limits on Contributions

The amount that may be contributed to the Plan on your behalf in any year is limited to a fixed dollar amount (\$52,000 in 2014). In addition, contributions cannot exceed 100% of your total compensation.

Compensation

"Compensation" means most taxable income received from the Company as specified in IRS regulations. For any self-employed individual, Compensation will mean earned income. Compensation will include wages paid during any period in which you are performing service in the uniformed services while on active duty for a period of more than 30 days that represents all or a portion of the wages you would have received if you were performing service for your employer. Compensation will include any amounts not available to you in cash in lieu of group health coverage because you are unable to certify that you have other health coverage. For purposes of Elective Deferral Contributions, Matching Contributions and Profit Sharing Contributions, Compensation will also include any amount you elect to defer on a tax-preferred basis to any Company benefit plan.

No more than \$260,000 (in 2014) of Compensation may be taken into account in determining your benefits under the Plan.

For purposes of Elective Deferral Contributions, Matching Contributions and Profit Sharing Contributions, Compensation will include payments of unused accrued bona fide sick, vacation, or certain other leave that are paid to you after you terminate employment.

VESTING

Elective Deferral Account, Rollover Contribution Account and Qualified Nonelective Contribution Account

You will have a fully vested and nonforfeitable interest in your Elective Deferral Account, Rollover Contribution Account and Qualified Nonelective Contribution Account.

Matching Contribution Account and Profit Sharing Contribution Account

Your interest in your Matching Contribution Account and Profit Sharing Contribution Account will vest based on your Years of Vesting Service (defined below) in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than Three Years	0%
Three or More Years	100%

Special Vesting Rules

You will become fully (100%) vested upon your attainment of Normal Retirement Age while an Employee, your death while an Employee or suffering a Disability while an Employee.

Forfeitures

If You Receive a Distribution. If you receive a distribution of the entire vested portion of your Account, you will forfeit the nonvested portion of such Account. If the value of your vested Account balance is zero, you will be deemed to have received a distribution of your Account.

If You Do Not Receive a Distribution. If you terminate employment and do not receive a complete distribution of the vested portion of your Account, you will forfeit the nonvested portion of your Account after the date you incur five consecutive One-Year Breaks in Service.

Reemployment. If you receive or are treated as receiving a distribution and you resume employment, the amounts you have forfeited (if any) will be restored if you repay the full amount of the previous distribution before the earlier of 5 years after the first date on which you are subsequently reemployed, or the date you incur 5 consecutive One-Year Breaks in Service following the date of the distribution.

Year of Vesting Service

"Year of Vesting Service" means a vesting computation period during which you complete 1,000 hours of service.

The following service will be disregarded in determining Years of Vesting Service:

If you have five consecutive One-Year Breaks in Service, all periods of service after such One-Year Breaks in Service will be disregarded for the purpose of vesting your Account balance that accrued before such Breaks in Service. However, both the service before and after such Breaks in Service will count for purposes of vesting your Account balance that accrues after such One-Year Breaks in Service.

A "One-Year Break in Service" means a vesting computation period during which you are credited with 500 or fewer hours of service. The vesting computation period is the Plan Year.

DISTRIBUTIONS

Commencement of Distributions

Termination of Employment. You are entitled to receive a distribution from your Account after you terminate employment. This includes termination due to disability. The distribution will start at the time specified in the section titled "Timing and Form of Payment" below.

Late Retirement. If you continue working for the Company after your Normal Retirement Age, your participation under the Plan will continue, and your benefits will begin following the date you terminate employment. You generally may not begin distributions until the time specified in the section titled "Timing and Form of Payment" below.

Death. If you die, your Beneficiary will become entitled to receive your vested Account balance. The distribution will start at the time specified in the section titled "Timing and Form of Payment" below.

Normal Retirement Age

"Normal Retirement Age" means the later of: (i) the date you reach age 65, and (ii) 5 Years of Eligibility Service (see the section regarding "Computing Service" for more information on what is a Year of Eligibility Service).

Timing and Form of Payment

Distribution for Reasons Other Than Death. If you become entitled to receive your benefit for any reason other than death, payment of your vested Account may start as soon as administratively feasible with a final payment made consisting of any allocations occurring after your termination of employment. Your account is payable, in cash or in-kind, in one lump sum payment.

Distribution on Account of Death. If you die before distribution of your Account begins, distribution of your entire Account must be completed by December 31 of the calendar year containing the fifth anniversary of your death.

If you die after distribution of your Account has begun, the remaining portion of your Account will continue to be distributed under the method of distribution being used prior to your death. If your Account was not being distributed in the form of an annuity at the time of your death, the remaining balance must be distributed by December 31 of the calendar year containing the fifth anniversary of your death.

Cash Out

After termination from the Plan, if the vested amount of your Account (excluding rollovers) does not exceed \$5,000, your vested Account will be distributed from the Plan. You may either elect to receive this distribution in cash or to roll over the distribution to an IRA or the qualified plan of your new employer (but only if your new employer's plan allows such rollovers). However, if the vested amount of your Account

exceeds \$1,000 (or such lesser amount as determined by the Plan Administrator in a nondiscriminatory manner) but does not exceed \$5,000 and you do not timely return your election forms, the Plan Administrator must transfer your vested Account to an IRA established in your name; unless the distribution occurs after the later of your Normal Retirement Age or age 62. The mandatory distribution will be invested in an IRA designed to preserve principal and provide a reasonable rate of return and liquidity. All fees and expenses attributable to the creation and maintenance of the IRA will be paid from the IRA. For further information concerning the Plan's automatic rollover provisions, the IRA provider and the fees and expenses attendant to the individual retirement plan please contact the plan administrator at the phone number found in the "ADMINISTRATIVE INFORMATION" section at the end of this Summary Plan Description.

If the vested amount of your Account exceeds \$5,000, you must consent to any distribution of your Account. However, the Plan Administrator may distribute your vested Account in a lump sum without consent at the time that payments must begin under applicable federal law - generally the April 1 following the later of the calendar year in which you attain age 70-1/2 or you terminate employment. Special rules apply to persons who are deemed to own more than 5% of the Company.

Beneficiary

You have the right to designate one or more primary and one or more secondary Beneficiaries to receive any benefit becoming payable upon your death. Your spouse must be your sole primary beneficiary unless he or she consents to the designation of another beneficiary. You may change your Beneficiaries at any time and from time to time by filing written notice of such change with the Plan Administrator.

If you fail to designate a Beneficiary, or in the event that all designated primary and secondary Beneficiaries die before you, the death benefit will be payable to your spouse, or if there is no spouse, to your children in equal shares, or if there are no children to your estate.

IN-SERVICE DISTRIBUTIONS AND LOANS

Hardship Withdrawals

General Rule. You may receive a distribution on account of hardship from the following Accounts but only if you are fully vested in such Account.

Elective Deferral Account, except certain earnings of your Elective Deferral Account may not be eligible for hardship withdrawal.

Immediate and Heavy Financial Need. You may receive a hardship distribution only if the Plan Administrator finds that you have an immediate and heavy financial need where you lack other available resources. The following are the only financial needs considered immediate and heavy:

- (1) Expenses incurred or necessary for medical care, described in Code section 213(d), for you or your spouse, children, or dependents;
- (2) The purchase (excluding mortgage payments) of a principal residence for the Participant;
- (3) Payment of tuition and related educational fees for the next 12 months of post-secondary education for you or your spouse, children or dependents;
- (4) The need to prevent the eviction of you from your principal residence (or a foreclosure on the mortgage on your principal residence);
- (5) Payments for burial or funeral expenses for your deceased parent, spouse, children or dependents; or
- (6) Expenses for the repair of damage to your principal residence that would qualify for the casualty deduction.

Amount Necessary to Satisfy Need. A distribution will be considered as necessary to satisfy your immediate and heavy financial need only if:

- (1) You have obtained all distributions, other than hardship distributions, and all nontaxable loans under all plans maintained by the Company;
- (2) Your Elective Deferral Contributions and Voluntary Contributions, if applicable will be suspended for six months after the receipt of the hardship distribution; and
- (3) The distribution is not in excess of the amount of an immediate and heavy financial need (including amounts necessary to pay any federal, state or local income taxes or penalties reasonably anticipated to result from the distribution).

Withdrawals at Any Time

You may receive a distribution from your Rollover Contribution Account at any time.

Rules Regarding In-service Distributions

The Plan Administrator may establish uniform procedures that include, but are not limited to, prescribing limitations on the frequency and minimum amount of withdrawals. All distributions will be made in the form of a single sum as soon as practicable following the Valuation Date as of which such withdrawal is made. Such distributions will be paid in cash. Only Employees are eligible to receive in-service distributions.

Loans

If you are an active Employee you may apply for a loan from the Plan. Loans will only be made to persons who the Plan Administrator determines have the ability to repay the loan. You may not receive a loan if the sum of your new loan and the outstanding balance of all of your other loans would exceed the lesser of:

- (1) \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made, or
- (2) one-half the present value of your vested account balance.

Loans must be repaid over a period not extending beyond five years from the date of the loan, unless such loan is used to acquire a dwelling unit which within a reasonable time (determined at the time the loan is made) will be used as your principal residence. The maximum loan term for a principal residence loan is 30 years.

You must repay a loan in accordance with the repayment schedule or you may make a full or partial prepayment. You may not refinance your loan. The loan will become payable in full on your termination of employment. The maximum number of loans outstanding at any one time is 2. The minimum loan amount is 1000. Payments will be made through payroll deduction from each regular paycheck.

Loan fees may be charged against the Account of the Participant to whom the loan is granted and the Plan Administrator may adopt any administrative rules or procedures that it deems necessary or appropriate with respect to the granting and administering of loans. Please contact the Plan Administrator if you would like more information regarding taking a loan from the Plan.

INVESTMENTS

Participant Self Direction

In General. The Plan Administrator may permit you to direct the investment of your Accounts. The Plan Administrator may establish uniform guidelines and procedures relating to Participant self direction. You may direct the investment of all of your Accounts.

Investment Elections. You may direct the percentage of your Accounts to be invested in one or more of the available Investment Funds. Your elections will be subject to such rules and limitations as the Plan Administrator may prescribe. After your death, your Beneficiary may make investment elections as if the Beneficiary were the Participant. However, the Plan Administrator may restrict investment transfers to the extent required to comply with applicable law.

Investment Decisions. The Plan is intended to constitute a plan described in section 404(c) of ERISA. This means that Plan fiduciaries may be relieved of liability for any of your losses that are the result of your investment elections.

Qualifying Employer Securities

The Trustee may not invest the assets of the Trust Fund in "qualifying employer securities" or "qualifying employer real property".

Voting Rights

You may not direct the Trustee as to the exercise of voting rights with respect to any Trust Fund Investment.

Valuation Dates

Accounts are valued each business day. The Plan Administrator may in its sole discretion declare a special Valuation Date for that portion of the Plan that is not daily-valued in extraordinary situations to protect the interests of Participants in the Plan or the Participant receiving the distribution. Such extraordinary circumstances include a significant change in economic conditions or market value of the Trust Fund.

SPECIAL TOP HEAVY RULES

Minimum Allocations

If the Plan is Top Heavy, the Company will generally allocate a minimum of 3% of your Compensation to the Plan if you are a Participant who is (i) employed by the Company on the last day of the Plan Year and (ii) not a key employee.

Note that if you are covered by a collective bargaining agreement you will not share in Top-Heavy minimum allocations provided retirement benefits were the subject of good faith bargaining.

The minimum benefits paid under this section will vest in the same manner as any Profit Sharing Contributions.

CLAIM PROCEDURES

Application for Benefits. You or any other person entitled to benefits from the Plan (a "Claimant") may apply for such benefits by completing and filing a claim with the Plan Administrator. Any such claim must be in writing and must include all information and evidence that the Plan Administrator deems necessary to properly evaluate the merit of and to make any necessary determinations on a claim for benefits. The Plan Administrator may request any additional information necessary to evaluate the claim.

Timing of Notice of Denied Claim. The Plan Administrator will notify the Claimant of any adverse benefit determination within a reasonable period of time, but not later than 90 days (45 days if the claim relates to a disability determination) after receipt of the claim. This period may be extended one time by the Plan for up to 90 days (30 additional days if the claim relates to a disability determination), provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies the Claimant, prior to the expiration of the initial review period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If the claim relates to a disability determination, the period for making the determination may be extended for up to an additional 30 days if the Plan Administrator notifies the Claimant prior to the expiration of the first 30-day extension period.

Content of Notice of Denied Claim. If a claim is wholly or partially denied, the Plan Administrator will provide the Claimant with a written notice identifying (1) the reason or reasons for such denial, (2) the pertinent Plan provisions on which the denial is based, (3) any material or information needed to grant the claim and an explanation of why the additional information is necessary, and (4) an explanation of the steps that the Claimant must take if he wishes to appeal the denial including a statement that the Claimant may bring a civil action under ERISA.

Appeals of Denied Claim. If a Claimant wishes to appeal the denial of a claim, he must file a written appeal with the Plan Administrator on or before the 60th day (180th day if the claim relates to a disability determination) after he receives the Plan Administrator's written notice that the claim has been wholly or partially denied. The written appeal must identify both the grounds and specific Plan provisions upon which the appeal is based. The Claimant will be provided, upon request and free of charge, documents and other information relevant to his claim. A written appeal may also include any comments, statements or documents that the Claimant may desire to provide. The Plan Administrator will consider the merits of the Claimant's written presentations, the merits of any facts or evidence in support of the denial of benefits, and such other facts and circumstances as the Plan Administrator may deem relevant. The Claimant will lose the right to

appeal if the appeal is not timely made. The Plan Administrator will ordinarily rule on an appeal within 60 days (45 days if the claim relates to a disability determination). However, if special circumstances require an extension and the Plan Administrator furnishes the Claimant with a written extension notice during the initial period, the Plan Administrator may take up to 120 days (90 days if the claim relates to a disability determination) to rule on an appeal.

Denial of Appeal. If an appeal is wholly or partially denied, the Plan Administrator will provide the Claimant with a notice identifying (1) the reason or reasons for such denial, (2) the pertinent Plan provisions on which the denial is based, (3) a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claimant's claim for benefits, and (4) a statement describing the Claimant's right to bring an action under section 502(a) of ERISA. The determination rendered by the Plan Administrator will be binding upon all parties.

Determinations of Disability. If the claim relates to a disability determination, determinations of the Plan Administrator will include the information required under applicable United States Department of Labor regulations.

YOUR RIGHTS UNDER ERISA

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). This federal law provides that you have the right to:

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Obtain, once a year, a statement from the Plan Administrator regarding your Accrued Benefit under the Plan and the nonforfeitable (vested) portion of your Accrued Benefit, if any. This statement must be

requested in writing and is not required to be given more than once every twelve (12) months. The Plan must provide the statement free of charge.

In addition, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining your benefits or exercising your rights under ERISA.

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

MISCELLANEOUS

Domestic Relations Orders

Your benefits under the Plan may be assigned to other people in accordance with a qualified domestic relations order. You may obtain, without charge, a copy of the Plan's procedures regarding qualified domestic relations orders from the Plan Administrator.

Disability

Under this Plan, you are disabled if you are unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. The permanence and degree of such impairment must be supported by medical evidence.

Loss of Benefit

Except as provided below, your account is not subject to any form of attachment, garnishment, sequestration or other actions of collection afforded creditors and your benefits are free from attachment, garnishment, trustee's process, or any other legal or equitable process. You may not alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which you may expect to receive, contingently or otherwise, under the Plan, except that you may designate a Beneficiary.

However, you may lose all or part of your balance:

Under the terms of a qualified domestic relations order.

To comply with any federal tax levy.

To comply with the provisions and conditions of a judgment, order, decree or settlement agreement between you and the Secretary of Labor or the Pension Benefit Guaranty Corporation relating to your violation (or alleged violation) of ERISA fiduciary responsibilities.

If we cannot locate you when your benefit becomes payable to you.

Amendment and Termination

The Company may amend, terminate or merge the Plan at any time. However, no such action may permit any part of Plan assets to be used for any purpose other than the exclusive benefit of participants and beneficiaries or cause any reduction in the amount credited to your account. If the Plan is terminated, all amounts credited to your accounts will become 100% vested.

Insurance

Your account is not insured by the PBGC because the Plan is not a defined benefit pension plan.

Administrator Discretion

The Plan Administrator has the authority to make factual determinations, to construe and interpret the provisions of the Plan, to correct defects and resolve ambiguities in the Plan and to supply omissions to the Plan. Any construction, interpretation or application of the Plan by the Plan Administrator is final, conclusive and binding.
